in Partnership with the
Volunteer & Combination Officers Section
of the IAFC

Location and Time

Saturday September 18th 0800-1630
Patton Hall, Station 18/25
46700 Middlefield Drive, Sterling VA

This a nationally recognized leadership class conducted by the Volunteer and Combination Officers Section of the International Association of Fire Chief to help administrative and operational leadership of fire and rescue departments in becoming more proficient in operating the business of the departments beyond just operations. The target audience for the class is anyone who is a leader in their department—and not just elected officers. If you're active in your department, take advantage of Beyond Hoses & Helmets.

"What was taught was practical take home exercises that work." Tracy T. - Lynbrook, NY

"If you want to take your dept. to the next level you need to attend this training." James R. - Orange County, FLA

Leadership skills and techniques will be discussed that will develop present and future leaders of your department assuring its survival into the future. Areas of instruction:

- Training Development
- Principles of Negotiation
- Leadership
- Retention
- Marketing
- Team Building
- Problem Solving
- Verbal Communication
